Senator Chipman, Representative Williams, and Members of the Transportation Committee:

My name is Erik Sules and I am a resident of Cumberland. I am writing to testify in strong support of Rep. Bell's proposed amendment to LD 209, "Resolve, to Direct the Department of Transportation to Implement the Recommendation of the Portland to Auburn Rail Use Advisory Council."

Having this rail trail through my community would be an incredible resource for me, my family, and my community.

I would be using the trail with my wife and dog to have an area to exercise safely away from vehicular traffic, and we would use the trail at least 2 times a week.

I believe this is a great opportunity for all Mainer, and also a draw for out-of-state tourism.

Thank you.
