Saco  
LD 1450

My name is Lynn Tillotson; I live in Saco; I am writing in support of LD 404 to allow the Mountain Division corridor to become a trail & LD 1450 to help fund the building of the trail. The best use for the state-owned Mountain Division corridor is a wide paved trail for walkers, bikers, and runners, accessible to people of all ages and abilities. This trail extension will connect to the 9 miles of Mountain Division rail trail that already exists in Fryeburg, Gorham, and Windham.

Thank you,  
Lynn Tillotson
