**Senator Rafferty, Representative Brennan, and members of the Joint Standing Committee on Education and Cultural Affairs, my name is Cory Reynolds and I'm testifying today in support of LD-957 -An Act Requiring Water Bottle Filling Stations in New and Renovated Public Schools - because I believe the water fountains in schools are to dangerous and not cleaned, with all the virus's and sickness going around I believe if they had a water bottle filling area so they could bring a bottle from home and just keep re filling the bottle it would be easier. Please I ask you to vote ought to pass on LD-957.**

**Thank You,
