Hiram
LD 1450

My name is Andrea Guimond. I live in Hiram, I am writing in support of LD 404 to allow the Mountain Division corridor to become a trail & LD 1450 to help fund the building of the trail. The best use for the state-owned Mountain Division corridor is a wide paved trail for walkers, bikers, and runners, which will be accessible to people of all ages and abilities. I believe it is especially important for our communities in rural Maine to have a safe place to exercise. Especially with more and more children and elderly feeling isolated, this is a way to connect and improve lifestyle habits young, the elders, and everyone in between. This is also an opportunity to develop new business and improve lives on multiple levels.

Thank you,
Andrea Guimond
