

David Bannon  
Portland  
LD 209

dear Sir/Madam, Relative to the above matter concerning LD 209, I am a resident of Portland Maine and strongly support the measure to approve and authorize a rail trail on the unused corridor connecting Portland, Falmouth, Cumberland, Yarmouth, North Yarmouth, Pownal, New Gloucester, and Auburn. This measure is consistent with the essential utilization of active and healthy initiatives as well optimal utilization of available land for use by the public.
