

Tom Reeves
Gardiner
LD 404

Senator Chipman, Representative Williams, and Members of the Transportation Committee

My name is Tom Reeves and I am a resident of Gardiner. I am writing to testify in support of LD 404, Resolve to Direct the Department of Transportation to Implement the Recommendations of the Mountain Division Rail Use Advisory Council. This trail will connect western Maine communities with more rural populations to the greater Portland area and will be the state's first long distance east-west trail. It will offer active transportation opportunities for residents along the trail as well as bring new visitors to experience this scenic trail. The trail will promote social, economic, environmental, and health benefits for all of Maine.

Thank you for supporting this resolve.
