Standish
LD 1450

My name is Michael Kepron and I'm a Standish resident. I am writing in support of LD 404 to allow the Mountain Division corridor to become a trail and LD 1450 to help fund the building of the trail. I believe that the best use for the state-owned Mountain Division corridor is a paved trail for walkers, cyclists, and runners, accessible to people of all ages and abilities. As a Standish resident, I strongly support increased access to local cycling trails in particular, given the unfortunate lack of safe, family-friendly cycling terrain currently available. I urge you to support funding for the expansion of the rail-trail from the highly used Mountain Division rail-trail in Gorham and Windham, into Standish and west to Fryeburg, where a four-mile rail-trail section also already exists.

Thanks for the work you're doing!
