

Rachelle Curran Apse
Portland
LD 209

Senator Chipman, Representative Williams, and Members of the Transportation
Committee:

My name is Rachelle, and I am a resident of Portland. I am writing to testify in support of LD 209, which would allow the Department of Transportation to permit an interim bicycle and pedestrian trail on 26.5 miles of the inactive Berlin Subdivision Rail Corridor.

Having this rail trail through my community would be an incredible resource for me, my family, and my community. I believe the best use for these state-owned corridors is a trail.

Thank you,
Rachelle
