

Michael Morse  
Limington  
LD 1450

My name is Michael Morse, I live in Charlestown, MA but I am originally from Limington, ME, where both my parents and other family and friends still currently live today. I am writing in support of LD 404 to allow the Mountain Division corridor to become a trail and LD 1450 to help fund the building of the trail. The best use for the state-owned Mountain Division corridor is a wide paved trail for walkers, bikers, and runners, which will be accessible to people of all ages and abilities. This trail extension will connect to the 9 miles of Mountain Division rail-trail that already exists in Fryeburg and in Gorham and Windham. I believe this is the best and healthiest use of this land and provides a safe and picturesque environment for people to exercise and enjoy the outdoors.

Thank you,  
Michael Morse
