Not sure why this is open now. I think this opens the primary to manipulation. Big time.

I am VEHEMENTLY opposed to RCV. It is cheating. People get to vote multiple times. That is unconstitutional.

One person, one vote.

And the loser always ends up winning. If there r more than 2 candidates running, there is a very good chance there will not b a majority winner. And yet, people complain that there r only 2 parties. Pls kill this bill.
