The following bills ought-NOT-to pass as they are tantamount to a Trojan horse of bills designed to take over the sovereignty of Indian tribes in Maine. They are bring coerced into a situation where they will effectively be losing their freedoms.

LD 1620, 1679, 1970, 2004

Indians in Maine. When did the white man evrr keep their promises to you. When were you ever better iff because of their words?

Thank you.
