LD 2004

I am writing in support of LD 2004 An Act to Restore Access to Federal Laws Beneficial to Wabanaki Nations. This bill is necessary because the old bill from 1980 has caused tremendous burden on the tribes. They are missing out on benefits other tribes in the country receive. There have been studies done showing how much the tribes have lost as a result of this situation.

This has gone on too long already. It is past time to pass something which the tribes want and need. Please do it now!

Thank you for your time!
