LD 1986

The testimony that was emailed to the Committee for 'LR 2579' now applies to this bill ... to the degree that via amendment LD 1986 has been transformed into the substance of 'LR 2579'.

Struggling with the substance of the snooker'n involved in the rollout of this bill, the consequenced mental anguish inspired a pivot in strategy for re-imagining society in the Anthropocene. It became the muse for what is the following 10 minute YouTube titled "Resist H2 economic Meme":
