

Laura Saltz
Waterville
LD 1977

As a concerned citizen, I strongly urge you to vote yes on this bill. I am happy about and proud of the state's policies on cookies, and believe that LD1977 would further strengthen the right to privacy of ordinary citizens. The ability of large companies to profit off the manipulation of consumers is criminal; and for companies to have that much subliminal influence on citizen thinking and behavior is a threat to democracy.
