LD 1578

My name is Francine Rondina and I live in East Boothbay. I am testifying in support of LD 1578, "An Act to Adopt an Interstate Compact to Elect the President of the United States by National Popular Vote". Maine needs the National Popular Vote because it is nonpartisan and works within the Electoral College. It gives candidates a reason to campaign in all 50 states, even Maine, because every voter, in every state, will be politically relevant in every presidential election. The candidate with the most votes nationally should win the White House. Several other states have recently passed laws to change the system to a national popular vote. Maine should do the same. Please support LD 1578. Thank you for the opportunity to testify.
