LD 1578

I oppose LD 1578 “An Act to Adopt an Interstate Compact to Elect the President of the United States by National Popular Vote”.

The reason that I strongly oppose this bill is because I want my voice, along with all voices of Maine residents, to decide who we pick for President and Vice President. I do not want the voice of Maine to be diluted by being combined into the popular vote, (NPV).

Maine is a small state, we only have four electoral votes and I want to maintain the rights to have only Maine voices decide who we want for President and Vice President.

Once again, I do not support LD 1578 “An Act To Join the National Popular Vote Compact”
