I oppose LD 1578 “An Act to Adopt an Interstate Compact to Elect the President of the United States by National Popular Vote”.

When our country was founded and our fore-fathers established our government and our freedoms, every step taken and every word written was done consciously with care and precision to make sure our country and its people remained free and fairly treated from then on. No expiration dates were added to freedoms that were given to us then and that have been protected by the blood of our soldiers since. Usually its the sore losers who try to change the rules of the game. Please keep America proud, free and fair.
