

Claudia Bell  
Farmington  
LD 1578

Hello to Senator Hickman, Representative Supica and members of the Veterans and Legal Affairs Committee. My name is Claudia Bell and I am a Maine voter, living in Farmington. I am writing to express my support for bill LD 1578, an Act to join the National Popular Vote Compact. All voters should have an equal voice in who is elected president. This act will assure that my vote--and everyone's vote--has meaning. We need to join the other states who believe in the importance of one person--one vote. Candidates will have to come to Maine and listen to the issues important to our state because our votes will be needed for the "winner take all" premise of this act. Please support and pass the NPV bill. Thank you for considering my comments.
