LD 1578

I am writing in support of LD 1578, An Act to Adopt an Interstate Compact to Elect the President of the United States by National Popular Vote. In several of our recent elections, the candidate who received the most popular votes was not elected President because of the Electoral College system. LD 1578, which is nonpartisan, would correct this imbalance. It gives candidates a reason to campaign in all 50 states, instead of just a few states, as is the case now.
Please support LD 1578.
