LD 1578

My name is Sally Tukey and I live in Bath. I am testifying in support of LD 1578, "An Act to Adopt an Interstate Compact to Elect the President of the United States by National Popular Vote". Maine needs to join this compact because it is non-partisan and it would provide equal weight to each vote nationwide while staying within the Electoral College system. It would be more democratic because candidates would have to address the concerns of voters in every state, even small states like Maine.
