LD 1696

Senator Carney, Representative Moonen, and members of the Joint Standing Committee on Judiciary:

My name is Cory Reynolds. I live in Dexter. I am submitting this testimony in opposition to LD 1696, "An Act to Create a Civil Cause of Action for Persons Suffering Damages Arising from the Sale of Abnormally Dangerous Firearms." because I believe this is another attempt to take away our 2nd amendment Rights. you all need to remember the right of the people to keep and bear Arms, shall not be infringed. Yes we do need to do something about the shootings in America but it's not by stoping the sell of guns, the gun is not the problem it's the person that is behind the trigger. what we need to do is take Mental Health serious.

Thank You,
Republican Cory Reynolds
