In 1973, I was 19 years old and pregnant. I was too young to have a baby, just starting out in life. Miraculously abortion was legal in 1973. I told my mom that I thought I was pregnant. She took me to a Gynecologist who confirmed I was pregnant. Then my mom took me to an Abortion Clinic in Jackson Heights, Queens. I had an abortion! I had no bad feelings, I knew it was the right thing to do! And I feel so very lucky, I had a supportive mom. The RIGHT to have an abortion is imperative! Our bodies, Our selves! Only Women get to choose what to do with our bodies!
