Hello,

To the communists who are continuing to violate article 1 section 16 of the Maine State Constitution by attempting to enact illegal laws or statutes, I am requesting that you immediately remove yourself from office as you have violated the oath that you have sworn to uphold. Your continual push to disarm Maine citizens in the name of false security will not be tolerated. A clear example of false security is the disarmament of citizens in public establishments, such as the Spare Time bowling alley in Lewiston. Because of your feel good laws placed on the books, citizens were unable to properly defend themselves in the establishment. Any enacted laws that violate article 1 section 16 should be considered a violation of rights granted and null and void to all citizens of Maine.
