SPONSOR'S AMENDMENT to LD 1696, An Act to Establish Civil Liability for the  
Illegal Sale or Marketing of Firearm-Related Products.

I am in opposition to this amendment. As with the original bill, the amendment is  
ambiguous and extremely subjective to be interpreted as anyone wishes.

The amendment appears to give the Attorney General the power to be judge and jury.  
This is insane!

I urge the committee that this amendment Ought Not to Pass.
