LD 1696

I am opposed to LD1696 for the following reasons:

- The Maine Attorney General should not have arbitrary and capricious ability to fine any person and business named in this bill, since he is biased against firearms.
- This bill WILL NOT prevent anything, it will however add additional layers of bureaucracy to confuse the every day citizen.
- Finally, this bill does not do a darned thin to prevent crime or address the problem of mental health issues.

The Judiciary committee should vote "ought not to pass".
