LD 780

Senator Carney, Representative Moonen, and Members of the Judiciary Committee,  
I'm Susan Doughty, Women's Health Nurse Practitioner and

I live in Scarborough. I urge you to vote Ought to Pass on LD 780. As a women's health nurse practitioner for over 25 years, I have witnessed first hand the need for women to have agency over their own bodies as I walked the road to balance and wellness with the women who sought my care. Access to reproductive health is a fundamental right that I pledge to uphold professionally and personally. The citizens of Maine have the right to vote for inclusion of reproductive rights in our constitution through this proposed amendment. Please vote ought to pass on LD 780 An Amendment to the Constitution of Maine to Protect Personal Reproductive Autonomy. Thank you.
