Linda P Haskell, Enrolled in the Republican party, US citizen, co-chair Republican party of Garland, Maine. Addressing the Chairman and members of the committee; I am opposed to this proposed legislation. It is a ploy by the Democratic party to destroy the constitutional rights of the people of the State of Maine to a fair and honest election. These underhanded attempts to control the outcome of the election by trying to pass these deceptive articles of legislation is deplorable, egregious and characteristic of the attempts to undermine our voting rights.
