LD 780

Dear Senator Carney, Representative Moonen, and Members of the Judiciary Committee, I'm Diane Boas and I live in Cape Elizabeth. I urge you to vote Ought to Pass on LD 780.

Basic rights shouldn't be up for debate every election year. A reproductive autonomy constitutional amendment would make sure that the rights Mainers have today will be protected in the future.

Maine people deserve the opportunity to make their voices heard and affirm that the Maine state constitution protects reproductive rights.

Everyone should be able to make their own decisions about their reproductive healthcare and how, when, and if they decide to start a family. A reproductive autonomy amendment would explicitly enshrine Mainers' rights to do that in the state constitution.

Please vote Ought to Pass on LD 780. Thank you.
