LD 1735

I oppose LD 1735, “An Act to Safeguard Gender-affirming Health Care” and it “ought not to pass”.

I am writing to strongly urge you to oppose LD 1735. This bill will allow state sanction of child sex trafficking and kidnapping. It will also allow and encourage damaging, irreversible gender affirming treatments and procedures for underage children. Not only that, but it will strip parental rights and enable sex predators. There will be no legal grounds to rescue children and protect them from abusers if this bill is passed.

This rainbow cult perversion is highly dangerous to innocent children. It is in complete disagreement with the way life should be in Maine, and the work our lawmakers have done to protect our children and their safety through the years. It will destroy young lives and their identity, and not allow them to be who God created them to be. I urge you to defend our children and vote against this destructive, devastating bill.

Again, I oppose LD 1735, “An Act to Safeguard Gender-affirming Health Care” and it “ought not to pass”.
