Hello,

PLEASE listen to the citizens this time around. The majority of Mainers do NOT want abortion up to 9 months gestation. Yet, you passed 1619.

PLEASE do NOT amend the constitution for this. Women can already abort their pre-born children after viability. What more they need!

NO CONSTITUTIONAL AMENDMENT!

LISTEN TO THE PEOPLE OF MAINE, not the paid out of state anti-life , anti-women, anti-family, well paid shills.
