Testimony of Amy Millett
Against LD 780 Resolution

**Proposing an Amendment to the Constitution of Maine to Protect Personal Reproductive
Autonomy.**

Senator Carney, Representative Moonen, and members of the Maine Legislative Judiciary
Committee,

My name is Amy Millett, I live in Hampden, Maine. I oppose LD 780 RESOLUTION, Proposing an
Amendment to the Constitution of Maine to Protect Personal Reproductive Autonomy.

As a Registered Nurse and adoptive mother, I have seen firsthand how Planned Parenthood
does not care for the mother and the unborn child without bias. I have witnessed firsthand the
comments from a NP working for Planned Parenthood state “isn’t pregnancy disgusting?” to
the mother pregnant with the child that my husband and I adopted.

I am opposed to the Constitution of Maine being changed for LD 780 based on the immoral
views and political agenda of a few politicians who are currently in office. The Life inside a
mother has great value, and I believe both lives have a right to Life.

Thank you for your consideration and I respectfully request that you oppose LD 780.

Sincerely,

Amy Millett
