Senator Carney, Representative Mooney and
Distinguished members of the Judiciary Committee:

Please accept this letter in resounding SUPPORT for LD 780, RESOLUTION,
Proposing an Amendment to the Constitution of Maine to Protect Personal Reproductive
Autonomy.

It is imperative that every Mainer have complete and private control over their
reproductive care.

As this right is under increasing pressure for removal from extremists at the national
level, we need to settle the issue based on the input of all Maine voters in a broad-
based referendum.

Thank you for your work on this and the many issues before the Judiciary Committee.

Sincerely

Judy East
