South Portland  
LD 780

Senator Carney, Representative Moonen, and Members of the Judiciary Committee,  
I'm Tara Thomas, I live in South Portland and I urge you to vote Ought to Pass on LD  
780.

As a healthcare provider, a woman, an aunt, and a sister, I care very deeply for the  
preservation of reproductive healthcare. The right to reproductive autonomy is a basic  
right that should not be under scrutiny every election year. It has been demonstrated  
that these rights are under attack and cannot be taken for granted that they will endure  
a change in political power.

Women deserve the right to make their own decisions about their bodies and if they  
choose to start a family. A constitutional amendment would make sure that the rights  
Mainers have today will be protected in the future.  
Please vote Ought to Pass on LD 780. Thank you.
