

Susan Neale
Brunswick
LD 780

Dear Chairs Senator Carney and Representative Moonen and ALL Judiciary
Committee Members:

My name is Susan Neale, and I am a resident of Brunswick. I am submitting written
testimony For Ought NOT To Pass (NO VOTE) for: LD 780.

Amending the state constitution is not only expensive but unnecessary since Maine
has passed a surplus of abortion protection laws and allows abortions in the state even
after viability

The passing of such a radical resolution would enshrine a right to end the lives of
unborn children up until birth and is reactive, irresponsible, and extremely
dangerous!.

Therefore, I am urging you to vote Ought NOT To PASS on the above mentioned
bill LD780 for the State of Maine.

Thank you

Susan Neale, 154 McKeen St Brunswick, ME
