Testimony in support of LD780

Hello, my name is Jillian Twisla, I'm a resident of Hope; and I am writing to urge you to vote in support of LD 780.

As a long term resident of maine raising my children here and expecting to grow old here, I feel a moral responsibility to write in support of LD 780. Everyone should be able to make their own decisions about their reproductive healthcare and how, when and if they decide to start a family. While we have strong laws to protect this here currently, laws can change and there is a lot of effort to do so across the country, efforts to remove these protections. A reproductive autonomy amendment in the state constitution would explicitly and more effectively protect Mainers' rights, my childrens' rights, for the long term.

Again, please vote in favor of LD780. People's lives and freedom depend on these protections being written into our constitution.

Sincerely,
Jillian Twisla
