

Lauren Dietlin  
Portland  
LD 780

Senator Carney, Representative Moonen, and Members of the Judiciary Committee,  
I'm Lauren Dietlin, I live in Portland, ME, and I urge you to vote Ought to Pass on  
LD 780.

The right to reproductive autonomy is fundamental. Amending the constitution will  
ensure our basic rights now and in the future. Give Maine people the opportunity to  
vote and affirm this fundamental right.

Please vote Ought to Pass on LD 780. Thank you.
