LD 780

LD 780 ought-NOT-to pass.

The votes for the at birth abortion bill LD 1619 was within a few votes of not passing despite the dirty tricks the leadership played on the legislators and the bullying perpetrated on them as well. So introducing a resolution to ammendment the constitution is an ill conceived consideration and should be abandoned.

We know that this bill is designed to prevent any challenge to the potential miscarriage of the law such as coercion of youth to carry pregnancies to full term so baby can be sold for body parts to Planned Parenthood and other interested parties.

Therefore I do NOT support this bill.

Thank you
