

Myra Broadway  
Gardiner  
LD 780

Distinguished members of the Judiciary Committee, my name is Myra Broadway, a resident of Gardiner, and I wish to testify in opposition to LD 780. In essence, while the choice of words sounds devoid of emotion and/or moral innocuousness, essentially the language would enshrine a culture of death in our state constitution. The unborn is a living child.

I urge you to vote ought not to pass.
