LD 780

As Maine goes, so goes the nation. With LD 780, Maine has a chance to enshrine a basic human right into our Constitution: "Every person has a right to personal reproductive autonomy, which is central to dignity and the liberty to determine one's own life course." May we become the model for other States to follow. I urge you all to lead us there today. I am in strong support of this legislation and I thank all of you who have championed it's passage.
