

Jordan Smith
Pownal
LD 1517

Hello, my Name is Jordan Smith. My wife and I have both been caregivers since a 2010. The cost and level of complexity of entering and then navigating the legal market can be a large hurdle compared to when we first started. I think this sounds like a good program that would be a good way of helping individuals enter the legal market. Thank you for your time.

Very best,
Jordan Smith
