

**Testimony in Support of LD 780**  
**“RESOLUTION, Proposing an Amendment to the Constitution of Maine to Protect**  
**Personal Reproductive Autonomy”**

Good morning Senator Carney, Representative Moonen, and honorable members of the Joint Standing Committee on Judiciary. My name is Scott Harriman, I live in Lewiston, and I am testifying in support of LD 780, “RESOLUTION, Proposing an Amendment to the Constitution of Maine to Protect Personal Reproductive Autonomy.”

This is simply an issue of basic human rights. No person should be forced to become pregnant or remain pregnant against their will. Everyone deserves the right to determine what they do with their own body, including the right to a safe abortion.

Please join the large majority of Mainers who support this and vote **Ought To Pass** on LD 780. Thank you for your time.

Sincerely,

Scott A. Harriman (he/him)
