I am writing on behalf of the Yarmouth Bicycle and Pedestrian Committee to express our strong support for the interim use of the Berlin Subdivision corridor as a bike and pedestrian trail, as recommended by the Rail Use Advisory Council.

Transitioning the rail line to a trail would increase safety and access for people of all ages and abilities in our community, providing a safe and accessible route to schools, local businesses and other amenities. The trail will also help our region meet its climate action goals.

Our town strongly supports the interim use of the corridor as an active transportation trail and urges you to act quickly to support the recommendation of the RUAC.

Thank you,
Colin Durrant, Chair
