To Senator Anne Beebe-Center, Representative Suzanne Salisbury, Members of the Committee on Criminal Justice and Public Safety.

My name is Gregory Hunnewell from Belgrade Maine, and I am submitting Testimony in Opposition to LD 2130.

First off there are way too many scenarios that are open to abuse by those that are reviewing any incident resulting from this bill, innocent people will be targeted for doing nothing more than trying to teach people to take care of and safely use a firearm.

The injunctive relief part of this bill is very scary, allowing the Attorney General to use the **(a reason to believe that a person is violating or is about to violate subsection 2)**.

And finally, we all know that the Attorney General is openly ANTI-GUN, and should not have this power at his disposal, and URGE **YOU TO VOTE OUGHT NOT TO PASS LD2130.**

Sincerely, Gregory Hunnewell
