Opposition LD 2130

Members of the committee, I am in opposition of this proposed bill LD 2130.

This proposed law would curtail citizens of Maine from teaching self-defense shooting to their families. This is a violation of Maine's own constitution of the 1st and 2nd amendment. Though, there is an exemption of certified business that can teach firearms training. The average citizen is under threat of criminal charge, if it "reasonably known", it implies one needs to be a mind reader to understand someone's future intent before training begins.

This proposed bill will make it illegal for a citizen to give advice or show another citizen, their friend, the proper way to build a firearm for themselves for usage of self-defense or hunting purposes.

Maine Constitution, Every Citizen has a right to keep and bear arm for the common defense; and this right shall never be questioned.

I urge you to vote in opposition of this bill.

Thank you for your time

Sincerely,

Simon Cavilla
