LD 2130

I oppose LD 2130 "An Act to Prohibit Unauthorized Paramilitary Training", and it "ought not to pass".

Attacking our US Constitution 1st and 2nd Amendments, again? The statements in this bill are extremely vague and without merit. Once again, legally trying to create criminals in the name of stopping criminals. Feel good legislation that will punish those exercising their 1st and 2nd amendment rights. Much of the content in the bill is already illegal, so this bill is redundant, government overreach.

Again, I oppose LD 2130 "An Act to Prohibit Unauthorized Paramilitary Training", and it "ought not to pass".
