Testimony of Meg Helming
before the Committee On Health and Human Services
in support of
LD 2157: An Act to Prohibit Tobacco Sales near Schools

February 1, 2024

Senator Baldacci, Representative Meyer, and distinguished members of the Committee On Health and Human Services, my name is Meg Helming and I'm the COO for the YMCA Alliance of Northern New England, which represents the 15 YMCAs in Maine. The YMCA strongly supports LD 2157: *An Act to Prohibit Tobacco Sales near Schools*.

The YMCA is a community leader in supporting children, adults and families in their lifelong quest for physical, emotional and social wellness. As one of the largest youth-serving organizations in the state that has been in operation for more than 150 years, we are particularly concerned about the sharp increase in Maine youth's use of tobacco products in recent years. According to the US Surgeon General, nicotine exposure during adolescence and young adulthood can cause addiction and harm the developing brain. At the Y, we believe that all kids deserve the opportunity to thrive. The Maine YMCAs stand in partnership with other health and youth-serving organizations across the state in support of strong public health policies that protect Maine youth.

Respectfully submitted,

Meg Helming
