LD 2027

The recognition and passage of LD2027 is crucial to the growth, to the stability, to the overall future of Wiscasset. Wiscasset is already suffering ,residents are unable to take care of their properties, the population is not growing and if there are higher taxes levied on the existing residents and business owners I can assure you there will be an exodus from Wiscasset.

Ronald G. Sanchez & Thomas Cramer
523 Birch Pt. Rd.
Wiscasset.
