

Testimony of Evan Goodkowsky before the Joint Standing Committee on Taxation

In Favor of LD 2027, An Act to Clarify the Property Tax Exemption for Air Pollution Control Facilities

February 5, 2024

Senator Grohoski, Representative Perry, distinguished Members of the Committee:

My name is Evan Goodkowsky. I am a Wiscasset resident and a Certified Maine Assessor. This bill is just and has bipartisan support. It stops the owners of Maine Yankee for qualifying for a tax cut that they never should have been allowed to get. The federal government pays Maine Yankee's bills so it will be of no consequence to the company.

The residents of Wiscasset cannot afford the alternative which allows Maine Yankee to dodge a tax liability that they should have to pay. Please support LD 2027.

Thank you for your consideration.

Respectfully,

Evan Goodkowsky, CMA
