

Deborah Small
Wiscasset
LD 2027

I am a year-round resident of Wiscasset. I am in favor of LD2027. Maine Yankee should pay local Wiscasset property tax. Other 'decommissioned' nuclear power plants across the country pay property taxes (and the government reimburses those taxes to the power plant entities). LD2027 needs to be enacted so that Maine Yankee follows suit.
Thank you.
