Testimony in support of LD 2007, An Act to Advance Self-determination for
Wabanaki Nations

To: Sen. Carney, Rep. Moonen, and Members of the Joint Standing Committee on
Judiciary

From: Nancy C Anderson, 47 Sturdivant Road, Cumberland, Maine 04110

Dear Senator Carney, Representative Moonen, and members of the Judiciary
Committee,

I'm Nancy Anderson from Cumberland, Maine. I'm a grandmother who is deeply
concerned about the climate my children and grandchildren will encounter in the
future. I am writing you in support of LD 2007.

The Wabanki have cared for the land and water that is now called Maine for
millennia. They will continue to do so as a sovereign nation. It is time that we who
live and thrive on this landscape celebrate their sustaining stewardship and allow
them to achieve the economic growth that has been achieved by the 570 federal tribes.

I urge you to support this overdue legislation and give it a unanimous Ought To
Pass. Thank you.
